

November Ballot Proposal (continued):

- If approved, the Director of Finance shall have all the responsibilities and duties of the County Treasurer position including:
 - Custody of all Fulton County funds, management of investments and financial records, and accounts of all units of County government.
 - Responsibility for record keeping of all appropriations, funds, and expenditures related to claims for payment.
 - Custody of County department accounts, reserve funds, trust and agency accounts, and other special funds.
 - Administration of County property tax collection and enforcement.
 - Administration of County occupancy tax collection and enforcement.
 - Collection and remittance of various local and state taxes, including sales tax and mortgage recording tax.
 - Review and approval of state and federal aid claims.
 - Responsibility for preparation of annual independent audited financial statements and any corrective action plans, if necessary.
- Minimum qualifications for the Director of Finance position are specified in Local Law No. 2 generally as follows:
 - Degree in Accounting, Public Administration, Business Administration or a related field, including at least 12 credits in accounting.
 - Master's Degree and two (2) years of financial management experience, or Bachelor's degree and four (4) years of financial management experience, including two (2) years in government accounting, or Associate degree and six (6) years of financial management experience, including two (2) years in government accounting.
